Thank you very much for your interest on Panther Trikes. We can offer you a new style of trike at this stage. Please note, that the standard comes with this listed inclusions below.

Standard Panther Trike “Terminator” for only \$26,000 plus Gst.

- Engine 1916cc with single carby, All new parts. (We don't do 1600cc).
- Girder fork, billet aluminum chromed with progressive spring with bearing NOT bushes
- 35 liter alloy fuel tank (not fibre glass or steel).
- Fuel gauge
- Twin Headlights
- Hydraulic clutch (no more broken cables)
- Engine immobilizer
- 3.5x16" with 60 spokes front wheel and 130/90x16 tyre
- 10x15" steel rear wheels with 295/50R15 tyre
- Adjustable footrest & pedals (powder coated)
- Stainless steel brake hose front (rubber in rear)
- Large chrome mirrors
- Fiber glass body, dummy tank & mudguards in any plain gel coat colors
- Easy body lift and lock
- Self canceling indicators by distance (NOT time)
- LED Light all around
- Elec. Speedo and tacho with 80mm white face 100% accurate (so you can see it anytime, NOT like LCD that your not able to see, only at night).
- Marine vinyl seats rider with sides so your not sliding sideways (you ride comfortably)
- Disc brakes front drums rear
- Rear Suspension VW Torsion Bar
- Engine crash bar powder coated (powder coated black)
- Compliance plate (pending).
- Warranty 20,000km or 1 year for the whole trike and also for bigger engine

Our standard is the highest on the market where other called it their top of the range. Our competitors couldn't even match 50% of our finishing and product quality and it is Australian build.

We also stocks SCAT and EMPI components that we are using on our trikes and we also sell it to the public for great prices.
