**Unit 7/379 Manns Road, West Gosford 2250 N.S.W, Australia**

**Thank you very much for your interest on Panther Trikes. We can offer you two styles of trike at this stage. Please note, that the standard comes with this listed inclusions below.**

***Note: The new below prices will take effect on 1<sup>st</sup> of January 2010. Those who will place an order before end of this year (2009) will still have the previous prices.***

#### **Standard at Panther for only \$33,950.00 Inc. Gst**

- Engine 1916cc with single carby (some reconditioned parts inside (We don't do 1600cc).
- 50 liter alloy fuel tank with fuel resistant coating for long lasting (patent) (not fibre glass or steel).
- Fuel gauge
- Twin Headlights
- Hydraulic clutch ( no more broken cables)
- Ignition steering lock, integrated immobilizer
- 3.5x16" spoke front wheel with 130/90x16 tyre
- 10x15" alloy rear wheels (Performance outlaw polished) with 295/50R15 tyre
- Adjustable footrest & pedals (powder coated)
- Stainless steel brake hose front (rubber in rear)
- Large chrome mirrors
- Fiber glass body, dummy tank & mudguards in any plain gel coat colors
- Easy body lift and lock
- Lockable fuel cap
- Twisted hand grips
- LED Light
- Elec. Speedo and tacho with 80mm white face 100% accurate (so you can see it anytime, NOT like LCD that your not able to see, only at night).
- Marine vinyl seats rider with sides so your not sliding sideways (you ride comfortably)
- Air bag suspension (Patent)
- Only monocoque frame worldwide (Patent)
- Disc brakes all around
- Engine crash bar powder coated (powder coated black)
- Compliance plate approved (can be register in any state in Australia)
- Warranty 20,000km or 1 year for the whole trike and also for bigger engine

***Our standard is the highest on the market where other called it their top of the range. Our competitors couldn't even match 50% of our finishing and product quality.***

***We also stocks SCAT and EMPI components that we are using on our trikes.***
